Become an Environmental Institute Partner !

The VTC Environmental Institute provides great benefits for the turfgrass and landscape industries. We fight for you! We invite you to become a partner and be part of our unique effort to advance both our industry and the environment through legislative action and partnering with environmental groups.

Become a partner by selecting one of the below levels and by agreeing to at least one measurable action that enhances the environment.

Measurable Action:

Partnership Level*

- ☐ \$175 — \$499 Friend
- ☐ \$500 — \$2,499 Bronze
- ☐ \$2,500 — \$4,999 Silver
- ☐ \$5,000 — \$9,999 Gold
- ☐ \$10,000 and up Platinum

Automatic Renewal**

- ☐ Yes
- ☐ No

*Partnerships are for 12 months

** Your credit card is automatically charged as per your direction. You may cancel at any time

Our work has just begun! Please join us.

Join us as we advocate for best practices and environmental awareness in and around the turfgrass and landscape community.

Educating decision makers and environmental activists about the benefits of properly designed, installed, and maintained landscapes is just part of what we do. In just under two years we have established great working relationships with important members of Virginia's General Assembly, environmental groups, local officials, state regulators, and others.

Contact and Payment Information

As a 501(c)(3) Corporation, all donations to the VTC Environmental Institute are tax-exempt.
